A GARTNER FOR IT LEADERS SUMMIT

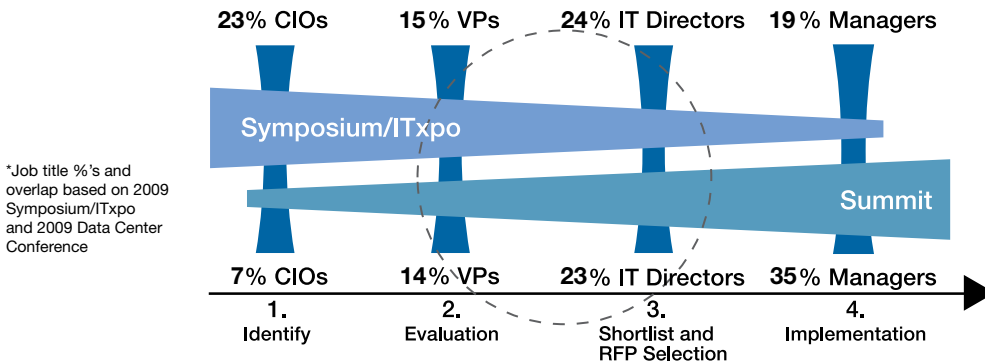

Gartner
 Data Center
 Conference 2010

Gartner Data Center Conference 2010

December 6 – 9, 2010 • Caesars Palace • Las Vegas, NV
gartner.com/us/datacenter

Collaborative Buying Process

Gartner events attract powerful and complementary audiences. Symposium/ITxpo represent the industry's most senior executive decision-makers – they have budget authority and seek information on a range of technology solutions. The combination of a Summit, Symposium/ITxpo sponsorship offers unique access to greater levels of executives across all stages of the buying and implementation cycles resulting in a opportunity to influence the collaborative buying process.

2010 Infrastructure & Operations Gartner Events Portfolio

Americas

IT Infrastructure, Operations & Management Summit
