Collaborative Buying Process

Gartner events attract powerful and complementary audiences. Symposium/ITxpo represents the industry's most senior executive decision-makers – they have budget authority and seek information on a range of technology solutions. The combination of a Summit, Symposium/ITxpo sponsorship offers unique access to greater levels of executives across all stages of the buying and implementation cycles resulting in a opportunity to influence the collaborative buying process.

overlap based on 2013 Symposium/ITxpo and 2014 PCC Summit
